

## Woodlands Maths

During your visit to our Discovery Centre you were Welsh Water Ecologists surveying the area and looking after the habitat. We have to take care when laying our pipes so that we don't damage habitats. What creatures did you find?

Which animals below are Minibeasts?

Sort the animals below into the Carroll diagram.

	4 or more legs	Less than 4 legs
Mammal		
Not a mammal		

Butterfly

Ladybird

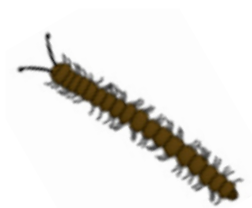

Blackbird

Fox

Earwig

Millipede

Badger

Worm

Magpie
