

Home audit

Ask a family member to help answer the following questions to see how you and your family use water at home.

Do you...

turn the tap off when brushing your teeth?

put a plug in the basin when washing or shaving?

have a dual flushing toilet?

shower for 4 minutes or less?

wash vegetables in a bowl rather than under a running tap?

wash dishes in a bowl rather than a dishwasher?

wait for a full load before turning the dishwasher on?

use the 'half load' button on your washing machine when you need to?

fill your kettle with just the amount of water you need?

choose to shower instead of a bath?

water your garden in the evening instead of the heat of the day?

use rain water from a water butt to water your garden?

use a watering can rather than a hosepipe to water your garden?

use a bucket and sponge rather than a hose to clean the car?

fix dripping taps immediately?
