

Ground Breaker INSUDuct

The above 2 pictures were from the Lead Trial and installed the Ground Breaker INSUDuct product.

Ground Breaker INSUDuct continued...

We are proposing to continue to offer the INSUDuct product but with the following changes;

- Informed consent from homeowner following demonstration of final appearance.
- Enhanced training of approved method statement to gangs.
- Review by surveyor at the height of entry point to ensure the amount of INSUDuct visible is kept to a minimum as per the below picture, if excessive (>50cm), this option wont be offered.
- This product can be painted but at the customers discretion (we can request a different colour but requires an order of 1,000).
