WHAT TO DO IF SOMETHING HAS GONE WRONG

If we have made a mistake or have done something wrong, please let us know straight away so we can put things right for you as quickly as possible.

FIRST LET US KNOW WHAT THE PROBLEM IS

The quickest way to get your problem solved is to give us a ring, using one of the numbers opposite.

Other ways to contact us

You can use our Live Chat service. Visit our website **dwrcymru.com** and look for the button in the bottom right corner of your screen.

You can also direct message us on Facebook or Twitter.

dwrcymruwelshwater

@dwrcymru

If you prefer to, you can tell us about your problem by filling in one of our webforms. These can be found on our website **dwrcymru.com/contactus**

You can also write to us at:
Dŵr Cymru Welsh Water PO Box 690,
Cardiff, CF3 5WL

We may need to talk to you to get everything sorted out so please include your phone number so we can call you.

WHAT YOU CAN EXPECT

When you let us know about your problem, we will give you the contact name of the person who is investigating it for you and they will keep in touch with you on our progress.

If your complaint is about a disputed debt, we will put the debt recovery process on hold until we have let you know the outcome of our investigation. You still need to pay any amount not in dispute whilst we investigate.

Our response may include some or all the following:

- An apology.
- An explanation of what happened and what we are doing to put things right.
- If we can't meet your requirements or expectations, we will explain why.
- A payment under our guaranteed standards of service, if it's appropriate.
- Compensation, if it's appropriate.

TIMESCALES TO RESOLVE ISSUES

Most complaints are resolved quite quickly and we will do our best to sort any issues for you straight away, particularly if you call us.

We aim to reply to you within five working days from the date we receive your complaint. If we take longer than 10 working days, we will give household customers £20 and business customers £50 under our Guaranteed Standards of Service.

Sometimes it can take longer than this to fully resolve a complaint, particularly if the problem is complicated, or we need to visit you before we can get everything sorted. If this is likely to happen, we will contact you and explain why.

IF YOU'RE STILL UNHAPPY

We hope you'll be happy with our response. If not, you can ask for your complaint to be referred to a senior manager. They will carry out a fresh review into what has happened and how we have tried to sort things out for you and explain what else we can do to resolve the matter.

If you are unhappy with our final response, you can contact CCW (The voice for water customers) and ask them to review your case for you.
