NOT FOR PROFIT

Three little words that make a big difference.

We're the only water company of its kind in the UK.

We don't have shareholders, which means we put every penny back into looking after your water and our beautiful environment — now and for years to come.

FROM SKY TO TAP

ALTHOUGH
RAIN FALLS
FREELY FROM
THE SKY, WE
PUT A LOT OF
WORK AND
ENERGY INTO
GETTING EVERY
DROP OF
WATER TO YOU

We carry out 700,000 tests a year at our high-tech labs to make sure your water is safe and tastes great.

The money from your bill goes into looking after and improving our reservoirs, treatment works and 27,000km of pipes to give you fantastic water.

GETTING FANTASTIC WATER TO YOUR TAP IS ONLY HALF THE JOB

We then take your dirty water away and clean it before returning it to our beautiful rivers and seas.

The money from your bill helps protect your environment, not just now, but for years to come.

But we also need your help. Every year, little things flushed away block thousands of pipes and flood hundreds of homes.

By putting our cotton buds, wet wipes and nappies in the bin (and not down the toilet), and binning or recycling our oil and grease, we can keep Welsh water flowing.

SAVING MONEY

Move on to a water meter

You could save by getting a water meter. Fitting is free, and if you change your mind within two years, you can switch back to an unmetered bill.

Switch to Direct Debit

Avoid one big bill by spreading payments throughout the year.

Surface water

If none of the rainwater falling on your property enters the public sewer, you may be able to get money off your bill. To apply for this, visit dwrcymru.com/surfacewater

WaterSure Wales

If you have a water meter fitted, you may be able to lower your bill through our WaterSure Wales tariff. To qualify you must receive certain benefits,

and have 3 or more children under the age of 19 living at your home who you claim Child Benefit for

or you or a member of your household has a medical condition that requires significant use of extra water.

HelpU

For customers who struggle to pay their water and sewerage bills, we have a tariff called HelpU. If you are in receipt of means-tested benefits we may be able to reduce your bill.

HELP WITH ARREARS

Water Direct

If you receive benefits, paying directly through the Department for Work and Pensions could reduce your bill by £25 per year.

Customer Assistance Fund

This fund helps customers in severe financial hardship. If you're eligible, you could pay in more manageable instalments, and we may help to reduce or cancel your debt.

OUR PROMISE TO YOU

We work really hard to deliver a great service, but sometimes things go wrong.

Water companies must meet certain standards. As a company that's owned on behalf of our customers, we go as far as possible to get things right first time, every time. Here's an outline of our promise to you and what you may be entitled to if something ever goes wrong.

Unless stated otherwise, these payments will be automatically made to you — you don't have to claim them. If you owe more than six weeks' charges on your water/sewerage bill, we will credit your account instead. There are certain terms and conditions which means that we're not able to make a payment in certain circumstances, such as where severe weather conditions, industrial action or the actions of a third party have made it impossible for us to meet our guaranteed service standards.

- Complying with our regulatory requirements, such as reporting to Ofwat or providing information that Ofwat requires;
- Collecting your details directly from you or a third party (e.g. credit reference agencies, landlords, Landlord Tap Limited, government departments, local authorities, other utilities or organisations in your area);
- Sharing your personal data with law enforcement agencies to help prevent and detect crime; government departments, local authorities and regulators for the exercise of their

functions or where we are legally required to do so; with Landlord Tap Limited, if you are a tenant or a landlord, for the purposes of all billing requirements including debt collection, tracing and enforcement (where appropriate).

Where we engage a third party to assist us with, or carry out our activities on our behalf, and/or to improve our services to you, we will agree appropriate controls in these circumstances.

If we, or our trusted partners handle your personal information outside the EEA, we will put in place appropriate safeguards.
