(WATER) LIMITED, AS WATER
UNDERTAKERS,
MADE BY THE WATER SERVICES
REGULATION AUTHORITY ON:**

Dŵr Cymru Cyfyngedig (the Company) gives this information as to the position of its underground apparatus by way of general guidance only and on the strict understanding that it is based on the best information available and no warranty as to its correctness is intended in the event of excavations or other works made in the vicinity of the company's apparatus. The user of this information is advised to check the position of all apparatus before carrying out any excavations and to ensure that the information is up to date. It should be noted that the records that are available to the Company may not disclose the presence of a water main, service pipe, sewer, lateral drain or disposal main and any associated apparatus laid before 1 September 1989, or if they do, the particulars thereof including their position underground may not be accurate. It must be understood that the furnishing of this information is entirely without prejudice to the provisions of the New Roads and Street Works Act 1991 and the Company's right to be compensated for any damage to its apparatus.

REGULATION AUTHORITY ON:**

Dŵr Cymru Cyfyngedig (the Company) gives this information as to the position of its underground apparatus by way of general guidance only and on the strict understanding that it is based on the best information available and no warranty as to its correctness is intended save in the event of excavations or other works made in the vicinity of the company's apparatus. The user of this information is advised to check the position of all apparatus before carrying out any excavations made entirely on their own. The information which is supplied by the Company is limited to the extent of the statutory requirements of sections 198 and 199 of the Water Industry Act 1991 which is based upon the best information available and, in particular, but without prejudice to the generality of the foregoing, it should be noted that the records that are available to the Company may not disclose the existence of a water main, service pipe, sewer, lateral drain or disposal main and any associated apparatus laid before 1 September 1989, or if they do, the particulars thereof including their position underground may not be accurate. It must be understood that the furnishing of this information is entirely without prejudice to the provisions of the New Roads and Street Works Act 1991 and the Company's right to be compensated for any damage to its apparatus.

Service pipes are not generally shown but their presence should be anticipated.
