

WaterSource Conference 2022

Agenda

Title:	Enabling Effective Collaborations
Date:	Wednesday 09/11/2022
Time:	09:30 – 16:00
Place:	Vale Resort, Hensol Park, Hensol, Vale of Glamorgan, CF72 8JY
Purpose & Outcomes:	<ul style="list-style-type: none"> • WaterSource is our approach to looking after the land to protect our drinking water for years to come. • In this year's WaterSource conference we will be exploring what successful collaboration looks like, what the blockers and challenges to partnership working are and what actions we can take together to facilitate more effective and timely delivery of solutions. • The workshops held during WaterSource22 will support the recommendations of the Biodiversity Deep Dive Stakeholder Working Group, chaired by Julie James MS, published on 3rd October 2022. (Insert link) • We will capture the experiences and perspectives of conference attendees into the WaterSource22 report which we will share with all attendees and key stakeholders.
